

The Power of We™

Avaya 9508 Digital Deskphone

A Sleek, High-End Phone Designed for Small Business Executives and Managers

The Avaya 9500 Series Digital Deskphones allow small and medium sized businesses to deliver highly reliable, high quality, communication solutions for a range of user types within the organization.

The Avaya 9500 Series Digital Deskphones allow small and medium sized businesses to deliver highly reliable, high quality, communication solutions for a range of user types within the organization. With an appearance and functionality similar to that of the well-established Avaya 9600 Series IP Deskphones, the 9500 Series can be deployed in mixed digital/IP telephony environments and are an ideal choice for companies wanting to add digital endpoints with a consistent look and user experience to their existing portfolio. The 9500 Series' smart design, crystal-clear sound and productivity features make these phones an easy choice for companies looking to gain strategic competitive advantage from their communications infrastructure.

Looks Great, Sounds Better: The 9500 series features large, eye-friendly displays; paperless, all-digital labeling; and a high-quality integrated speakerphone that ensures everyone can hear and be heard.

Familiar, Functional Interface: There's almost no learning curve with the 9500 Series. Almost any user will intuitively know to use the fixed keys to access the most common features and the flexible softkeys with contextual guidance and prompts.

A Sound Investment: The 9500 Series is an excellent value for your growing company – and it's designed to remain that way, with expansion options including

a headset interface. The 9500 Series delivers significant competitive advantages at its price point while lowering total cost of ownership for your company.

The Avaya 9508 Digital Deskphone: An Indispensable Phone for Executives and Managers

Small business executives who spend a great deal of time on the phone rely on advanced telephony features and depend on high quality, real-time voice communications, for the success of their roles. With a large, easy-to-read display, the 9508 provides multiple feature keys, speed dials, and call logs to please the most demanding executive.

The 9508 Digital Deskphone delivers what managers need:

- 8 administrable feature buttons on 3 levels (total of 24 button positions), plus optional 12-button expansion module for a total of 96 feature keys or speed dial buttons with dual red-green LEDs to display status
- 10 fixed-feature keys for common tasks (e.g. contacts, history and message)
- Integrated, two-way speakerphone
- Headset jack supports wide array of wired and wireless Avaya headsets

- Additional caller related information is displayed with active appearances for easier call handling
- Context-sensitive interface, 4-way nav cluster and 4 softkeys simplify and speed up operations
- 8 line X 32 character display, white backlit for easy viewing
